Dear _____:

Thank you for your considerate and considerable donation to the 3rd Annual International Raw Milk Symposium taking place at the Embassy Suites in Bloomington, Minnesota on May 7, 2011. We are grateful to you for your efforts in creating the food we depend on and desire for good health.

As in past years, local food will be featured in the meals provided at the Symposium. Your donation will make this possible. This year we are honored to showcase the donated meat, produce and products under the experienced hand of Chef Pierre Jean Laupies and his staff at Chez Daniel. In attendance at the Symposium we are expecting producers and consumers from around the world, as well as Minnesota legislators, their staff, and State Agriculture related staff. They will all be invited to the lunch where your donations of food will be proudly showcased. Local donated food will also be featured in the evening fundraising dinner, where Michael Schmidt will be speaking, and a Friday evening dinner for speakers and other gathered Minnesotan local food players. Additionally, you and your farm will be recognized in the program of the Symposium and Chef Pierre Jean Laupies will be given your contact information and the list of products you have available for purchase in the future, if you so wish.

Please use the attached form to provide your contact information as well as the name of your farm as you would like recognized in the Symposium program. In addition, this form can be used to confirm your specific donation of food so that Chef Laupies can plan accordingly.

I would also like to note that your donation to the 3rd Annual International Raw Milk Symposium may be tax deductible. Please consult your tax professional to further explore this possibility.

I look forward to seeing you there and tasting the result of your efforts. Thank you again for your support.

Sincerely,

Tim Wightman

Chairman, 3rd Annual International Raw Milk Symposium and
